The Two Documents.

Two legal papers met on their way to went to Lima yesterday, to see General the funeral of a smart business man. By way of introduction, one said: "I Insurance Policy, and was born to out- was their surprise to see a procession of wit just such fellows as you are. I am for the family every time."

Talk with GEO. H. ALLEN, he can escort. explain thoroughly and give you the nest contracts written.

Some one sends us a copy of the Muncie Indiana Times, of Friday, on which he has written, "May God shower blessings abundantly on the Bellefon-

soldier boys." This was evidently prompted by the League of our city, which daily takes own or anybody else's wife. The Graphophone is marvelous as an entertunches to the trains for all sick or Marshal played his right bower first, West, for several weeks, returned home through. Verily "It is more blessed to to the breezs. A martial band followed. give than to receive."

Kind and Good People.

Frank Yong speks in the highest terms of D. B. Salisbury and wife and daughters, of Bellefontaine, Ohio. The writer has known the family for many years and understands their true Republicanism. In the fifties the father of Mr. Salisbury and his wife were peaceful and well-to-do farmers in Jefferson county, Indiana. They were in the underground

runaway slave was given shelter at their

Any one who intends to insure his thinks of joining. To enter into a contract which may last during life, without careful consideration of the manageent to which he is to intrust his inter sts, is very unwise. The Uniou Con-

tal invites the closest investigation and comparison with other companies. more thoroughly the Company is con sidered the greater the respect in which it will be held. Some of its claims to

onsideration are as follows: It has more than \$19,000,000 of assets, of which about \$2,250,000 is surplus. This sum is amply sufficient to secure the interests of all its policy-holders. It guarantees as absolute protection as Cal. Jacobs Caught in a Machine though it were ten times as large.

Its assets are invested in the safest possible securities. The insurance laws of Ohio absolutely forbid all risky in-Central are chiefly invested in first mortgages on real estate at less than one balf its value without improve ments. It holds also a considerable proportion of loans on its own policies.

These, together, constitute, about 90 per cent. of its investments. Nothing been fixed, and we could not learn afer can be obtained. It has about fifty thousand policy

nolders. Since ten thousand are enough to secure regularity in the average death loss, this larger number is all that need Its interest rate has surpassed that of

all other companies for a number of years. In 1897 it was 11 per cent. above that of any other company. This, with the safest possible security, is a re- will lecture at the Disciple church, at markable showing. For many years East Liberty, next Tuesday night, Oct. the interest earnings have more than 25th, on "These Boys of Ours." Admispaid all death losses, endowments and sion 10 cents.

Its rotation of death losses to total amount at risk has been less than that of other companies for many years. Its of the amount at risk.

Ten Payment Life Rate Endowment Policy

Read the Proof.

MARYSVILLE, O., November 15, 1897.

J. E. Heffelfinger, Manager, Springfield, O.

My DEAR SIR: I am pleased to acknowledge receipt of \$5,190.35 (through your general agent, Geo. H. Allen, Bellefontaine, O.,) from the maturity of my Policy No. 16,258, Ten Annual Payment Life-Rate Endowment, issued by your Company November 15, 1875. The profit on this investment is \$2,685.35, and a little more than six per cent simple interest on the premiums from the date of their payment until the maturity of the Policy; which, together with the protection afforded every hour of that time, and exemption from taxation and all risks incident to all other lines of business, makes it a very satisfactory investment, so much so that I expect to continue under the protection of the Company as
